

REMARKS/ARGUMENTS

Claims 1-20 are allowed claims. Claim 1 is amended herein to correct a typographical or clerical error entered upon filing of a Preliminary Amendment in this case. The term >90 mol% was originally presented as \geq 90 mol%. The present amendment corrects the typographical or clerical error in Claim 1. Claim 10 is amended consistent with the amendment to Claim 1 to correct typographical and/or clerical errors. As noted above, support for the amendment is found in the originally presented claims. No new matter is added.

Applicants submit the amendment does not raise any new issues nor change the scope of the originally presented claims and respectfully request entry of the amendment.

Respectfully submitted,
